Dear Scout:

In looking over our camp enrollment in getting ready for summer camp this year we are beginning to make our final plans for the advanced party of the Safari group.

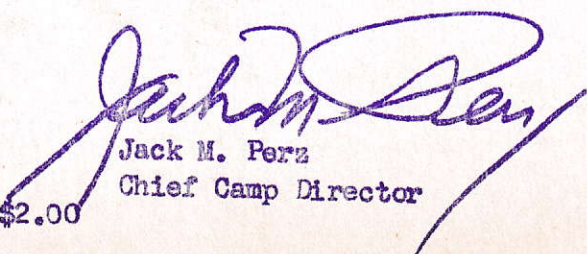

We are anxious to see you back with the group and have enclosed a camp reservation card for you which I would suggest you fill in promptly and mail back. You will be in camp for the period of time corresponding with the first and second periods; namely, June 27 to July 23 and will be under the leadership of Jim Connell.

The camp fee for this practically one month is \$34.00 plus \$6.50 for round trip transportation. Obviously, this is substantially below cost of camp for the other boys who would be in camp for two periods, as we mentioned to you last year the Council is willing to subsidize your camp fee, bearing in mind you are making yourself available for an advanced type of training program for Eagle Scouts such as yourself.

At the end of the training period you will be placed, provided you successfully pass this remaining training period, on the camp staff for the 3rd & 4th Periods.

The new Wilderness Safari emblem is now available at the Council Office but it is not being placed for general sale. Please see me for your emblem. These are being sold at 55¢ a piece.

On May 25, 1949 at 7:30 in the evening we are having a meeting of the Safari party. I would like to see your reservation for camp in here before that time if at all possible. We would like for you to be present at this meeting in order to discuss matters relative to what we will do this summer.

  
Jack M. Perz  
Chief Camp Director

P. S. — Reservation fee is \$2.00
